

Clear Skies Act (2018)

An official ban on all aircraft.

Article 1 - Regulations

- I. All aircraft are hereby banned from all territory under the jurisdiction of Bloom, including its waters and airspace.
- II. An aircraft shall be defined as a structure and/or redstone device which is capable of consistently moving itself through the air independent from the ground.
- III. Structures which are built to resemble aircraft for aesthetic purposes, and are clearly not meant to actually function as an aircraft, are not considered aircraft by the standards of this act.

Article 2 - Enforcement

- I. All unauthorized aircraft are to be destroyed on sight.
- II. Destroying a functional aircraft for the purposes of enforcing this act shall not be considered griefing.
